noel studio for academic creativity

our mission

The Noel Studio for Academic Creativity programs exist to create innovative support for communication, research, and teaching and learning initiatives that enhance deep learning at EKU.

our vision

The Noel Studio for Academic Creativity will lead the EKU community, its service region, and the nation as a transformative physical and virtual hub for innovation in pedagogy, critical and creative thinking, research, and communication.

our values

The Noel Studio promotes the values of innovations in pedagogy and deep learning across campus:

self-efficacy

faculty and students as co-facilitators of learning

high-impact practice intentionality
creative thinking
